# Retevis RT 15 Mini Vox Portable Two Way Radio

## Feature:

<input checked="" type="checkbox"/> Scanning	<input checked="" type="checkbox"/> VOX	<input checked="" type="checkbox"/> TOT	<input checked="" type="checkbox"/> Monitoring	<input checked="" type="checkbox"/> Keyboard Lockout
<input checked="" type="checkbox"/> Busy Channel Lockout	<input checked="" type="checkbox"/> Low Battery Warning		<input checked="" type="checkbox"/> Power Saving Function	
<input checked="" type="checkbox"/> Comanding/Scrambling Function	<input checked="" type="checkbox"/> Special Signaling		<input checked="" type="checkbox"/> 50 CTCSS/208 DCS	

## Technical parameters:

### SPECIFICATIONS

Frequency Range	400-470MHz
Supply Power	DC3.7V
Memory Channel	16
Antenna Configuration	Integrated Antenna
Dimension	136x59x21mm

### TRANSMITTER

Output Power	≤2W
Modulation Mode	F3E
Max. Frequency Deviation	≤±5KHz
Sparious Radiation	≤7.5uW
Preemphasis Character	Per Octave 6dB
Emission Current	≤1000mA

### RECEIVER

Sensitivity	<0.16uV(12dB SINAD)
Audio Power	≥300mW
Audio Distortion	<5%
Intermodulation interference resistance	≥60dB
Receiving Current	≤300mA
Standby Current	≤20mA

## Package include:

- 1 x RT15 two way radio
- 1 x Adapter
- 1 x USB cable
- 1 x Belt Clip
- 1 x User manual
